Board of Trustees Member Biography 2013 - 2014

A lifelong resident of the Fox Valley, I was born in Neenah, grew up in Larsen, and graduated from Winneconne High School. I currently work at Pierce Manufacturing Inc., an Oshkosh Corporation company, as the Director of Human Resources. I've previously worked in the papermaking, manufacturing, and aviation industries.

I am honored to have served 4 years active duty and 5 years in the reserves of the U.S. Air Force in European and stateside assignments. I am currently a 29 year member of the Civil Air Patrol, U.S. Air Force Auxiliary, and have served in a variety of positions to include Wing Inspector General, Wing Executive Officer, Group Commander, and Squadron Commander. In addition, I've served on the board of directors of Junior Achievement; belong to the American Legion; and volunteer as an AWANA youth leader at Appleton Alliance Church.

My formal education includes a Bachelor of Business Administration (BBA) degree from the University of Wisconsin-Oshkosh and a Master of Science (MS) degree from Marian University. Additionally, I've completed executive leadership programs at Cornell University, Northwestern University, and the Center for Creative Leadership, and am a certified executive coach.

I, along with my wife and two daughters, reside in Appleton.
